ATTN: Mr. Bob Spaniol

Dear Bob:

I would like to extend to you a sincere "THANK YOU" for your help in making Saturday's Open House a great success.

Your expertise and ability to share that knowledge with our guests is invaluable and appreciated. In an industry impacted by the perception of the community surrounding operations such as ours, we truly depend upon "third party" experts like you to help alleviate misconceptions. Your ability to calmly and professionally educate, clarify, and perhaps most importantly listen, makes you a great asset to an event like Saturday's Open House.

Again, I thank you for your efforts and cooperation and look forward to working with you again in the near future.

Sincerely,
MARYLAND MATERIALS, INC.
